MAGIC IN METAL

Hotel, Restaurant & Catering Ware

Mehra Engg. Corp., India

[www.anthemindia.com](http://www.anthemindia.com)

## About Us

We take pleasure to introduce ourselves as manufacturer-exporters of high quality stainless Steel Food Service products. With a track record of over 25 years in manufacturing and 10 years in exports, we are OEM manufacturers for numerous international brands across the globe. We have patented many of our designs and components. Our factory, Mehra Engg. Corp., is located at 452-453, Export Promotion Industrial Park, H.S.I.I.D.C., Kundli, (Delhi NCR) Haryana.

We present to you our range of Chafing dishes and allied products. All of these products are manufactured indigenously in our state of the art factory using the latest machines and technology. The items are most advanced in terms of features, quality, workmanship and finish. Our products have been very well accepted by the discerning international hospitality industry who have high standards of quality and functionality.

Many of our products are "Import substitutes" for the Indian market, for example the entire Drip less series.

There is a strong emphasis on continuous innovation and product improvement. Our endeavour is to design products which are user-friendly, hygiene-friendly, low in maintenance and ensure elegance in presentation. The highest levels of workmanship and finish are ensured by strict adherence to the set standards by our quality Control department.

This results in products which deliver complete satisfaction and reassurance to the end user.

We look forward to an opportunity to serve you and forming a long lasting relationship.
